

The 2009 group! We had 38 educators, 14 youth, and 9 Sierra Nevada Journey's counselors, being welcomed by Chuck Petersen. Above right, Ron Torrel responds to questions as Jan Petersen, and Tracy Shane, look on. Below left, the group enjoyed their discussion with ranch owners, Ed, Mike, and Paul Sarman. Below right, a happy butter maker. Bring out the crackers. They shared their crackers and butter with the adults. What a nice group of youngsters.

A child's hand print in crude cement at one of three early ranch homesteads on the Sarman property.  
 On right, the old four-holer outhouse used by the first homestead family to settle the ranch property. Note infant seat to right.
